

2011-13 Texas A&M University System Health Science Center Catalog Addenda

This 2011-13 Texas A&M Health Science Center Catalog Addenda contains the most up-to-date information. Information in this Catalog Addenda supersedes the published version of this catalog.

- Deleted NURS 310
- Page 38 reads:

In compliance with Texas Education Code 61.821 - 61.83, all undergraduate degree programs at the Texas A&M Health Science Center (i.e., basic medical sciences, dental hygiene and nursing) require completion of the TAMHSC Core Curriculum.

The undergraduate degree in basic medical sciences has been discontinued. Therefore the statement should read:

In compliance with Texas Education Code 61.821 - 61.83, all undergraduate degree programs at the Texas A&M Health Science Center (i.e., dental hygiene and nursing) require completion of the TAMHSC Core Curriculum.
